Dear Adrienne,

In your heart of hearts, I hope you truly believe the old phrase "better late than never." I know that "Amy V." Miss Manners, and my mother would all be horrified that it has taken me so long to thank you for your incredibly positive contributions to New Student Orientation.

The activities staff has over 35 years of orientation experience (we started working at a young age) and we've never encountered a better group of leaders. Your openness, intelligence, trust, willingness, energy, and humor have enriched not only the new students but our lives as well.

We salute you and we thank you. If ever we can be of assistance, please do not hesitate to call upon us.

Sincerely,

M. Sue Hood
Director of Student Activities
